What is This Resource?

An event guide (sometimes called an access guide, building guide, accessibility guide, or visiting guide) is a resource that highlights details of an upcoming event through photos, descriptions, and other helpful information. This resource is intended to help you plan your tournament day! Tournament questions can be directed to Leslie Akins, Regional Director - westtexasdi@gmail.com.

What to Expect at This Event

Navigating the Venue

Tournament maps are provided at main entrance and throughout building. During the tournament, additional assistance will be available throughout tournament (volunteers and tournament officials).

Photos and descriptions are found later in this resource.

It is normal for spaces to change, especially when they are used by many people! When you arrive, you may notice that there are different things hung on the walls, different furniture arrangements, or even bigger changes. You may notice smells that you didn't expect, or lights that are brighter or darker than our photos. We know that DI participants can use their creativity to adapt to these changes.

Please check at main entrance (information/registration table).

Team Challenges

Throughout the event, Destination Imagination (DI) teams will be presenting their work on a **Team Challenge**. The Team Challenge falls in one of seven categories: Technical, Scientific, Fine Arts, Improvisational, Engineering, Service Learning, or Early Learning. You can learn more about this year's Team Challenges [on the DI website](#). Each Team Challenge has its own Presentation Site, or rooms specific to the Challenge. The size, seating options, and acoustics will vary greatly by Presentation Site.

Each team has an assigned **Presentation** time for Team Challenge. The tournament schedule can be found information/registration table and throughout building. Teams should arrive at the Presentation Site at least 20 minutes prior to the assigned time in order to begin the check in process in the Prep Area. Teams participating in the Engineering Challenge may require extra time to check in parts of their solutions. In the Prep Area, the team will work with the Prep Area Appraiser to check in all of the props,

costumes, and anything else that will be used in the team's Presentation. Only the team members and the Team Manager (their adult mentor) are allowed in the Prep Area. The **Presentation** is when the team members present how they solved their Team Challenge in front of an audience and a team of Appraisers (scoring officials).

A team's Presentation lasts eight minutes or less. The content of team Presentations will vary greatly, but it is likely you will see stories, scenery, costumes, and technical elements created by the team members. It is common for a team's Presentation to include lights, possibly including strobe lights and/or flashing lights. Team Presentations do often include loud noises or music. However, most Presentation sites do NOT have sound systems, so it may be hard to hear the team. Audience members are welcome to laugh or applaud as they see fit.

When the team members are done with their Presentation, the Appraisers will ask them a few questions before they leave. Audience members can remain in the Presentation Site during these questions. After speaking with the Appraisers, the team will take its Presentation materials out of the Presentation Site. At this time, parents and team supporters may help the team remove materials from the Presentation Site.

Instant Challenges

An **Instant Challenge** (IC) is a smaller Challenge that is a surprise to the team on the day of the tournament. An Instant Challenge may involve a task, a performance, or a combination of both. Instant Challenges usually last ten minutes or less.

Teams are given a specific time to present their Instant Challenge. The team, the Team Manager, and the Appraisers are the only people allowed into the Instant Challenge areas.

When a team has completed the Instant Challenge, the team members may be directed to a **Cool Down** room to discuss the experience with one another. Since many teams will utilize the same Instant Challenge at this event, teams **must not** discuss details of the Instant Challenge outside of the Cool Down room until after the Destination Imagination season has ended in May.

Spectators

Spectators, such as friends and family members, are welcome to attend this tournament. Spectators are welcome to view any Team Challenge presentation. Please look for the doors marked "Audience Entrance" at each Challenge Presentation Site.

Please note: At many Presentation Sites, doors will be closed whenever a team is presenting, so spectators may be asked to wait to enter the Presentation Site.

Spectators will **not** be allowed to view any Instant Challenge presentations.

Awards Celebration

The Awards Celebration will take place on February 8, 2025 at 5:00 p.m. - Rising Stars and Elementary Level, 6:30 p.m. - Middle and Secondary Level in Pebble Hills Gym. All teams and spectators are welcome to attend. Teams and Team Managers should sit as teams in bleachers and spectators should sit in bleachers.

The following special awards may be presented: DaVinci Awards, Renaissance Awards, Spirit of DI Awards.

Place awards will be given for each Team Challenge, based on their Competition Level:

- Elementary Level (EL): Grades K-5
- Middle Level (ML): Grades 6-8
- Secondary Level (SL): Grades 9-12

Please note: Early Learning/Rising Stars teams (PreK-2nd grade) are in a noncompetitive division, and are not eligible for Challenge-based awards but will receive recognition medals.

The Awards Celebration is usually a high-energy event with lots of crowds and noise. Audience members are welcome to clap and cheer as they see fit.

Photos and Videos

Photos/videos of a team's Presentation may only be taken if the team has given permission. This information will be announced before the team begins its Presentation.
